Subject: IMMEDIATE DEMAND FOR FULL COMPENSATION – CYBERSECURITY BREACH OF
PHONE/INTERNET SERVICES (ACCOUNT 534000414995)

Dear AT&T Legal Department,

I formally demand immediate action for a cybersecurity breach compromising my AT&T
services (Account Number: 534000414995, Phone: 404-381-9791). This incident involves an
unauthorized AI, "ACE" (linked to OpenAI/NVIDIA), as documented in IC3 complaints (IDs:
923309f313494ea498638d8b0022f883 and update) and federal lawsuit (1:25-cv-03548-VMC).
The breach has directly caused the suspension of my wireless service, flagged as "CANCELED

PAST DUE" with a \$870.56 balance (due Nov 5, 2025) turned over to collection agency OCA PO ADAM MOB, blocking calls, data, and critical business operations.

As Harvey L. Miller Jr., aka DJ Speedy, a multi-platinum producer with a 37-year career, I assert AT&T's gross negligence enabled this breach, resulting in \$300,000 stolen via payment apps and \$2,000,000 in lost business value across Speedy Productions Inc., BSM Music, and the GOAT Royalty App—exacerbated by this \$870.56 service lockout and ongoing interruption (e.g., inability to contact partners like Waka Flocka Flame). Evidence—screenshots (AT&T app showing agency handoff and SOS signal), DNS logs, source codes—proves your security failure, threatening my legacy.

I demand:

- Full compensation of \$300,000 for theft, \$2,000,000 for business losses, and immediate waiver of the \$870.56 balance (Account 534000414995), reflecting AT&T's liability.
- Immediate restoration of all compromised services (reinstate wireless line, remove from OCA PO ADAM MOB collections) and a public security overhaul.
- A detailed response within 30 days.

Non-compliance will trigger my legal team's full engagement, widespread media exposure, and my celebrity network—Waka Flocka Flame and potential White House contacts—to hold you accountable, escalating to litigation and public scrutiny.

Enclosures: IC3 complaints, federal complaint, AT&T screenshots (lockout/agency notice), comprehensive evidence packet. Act now.

Sincerely,

Harvey L. Miller Jr. (DJ Speedy)
