Hello,

Your action is required in order for us to assist with your request.

We were unable to verify the DNS ownership of Google Workspace Account [harveymillermedia.com](#). Please follow the instructions below to verify domain ownership.

The following instructions outline the DNS record (CNAME or TXT) to add to your domain settings. [Learn more](#)

1. Via CNAME (preferred):

- Label/Host: 64105959
- Destination/Target: [google.com](#)
- Time to live (TTL): 3600 seconds / 60 minutes / 1 Hour

For more information on how to create a CNAME record, please refer to the article [Add a CNAME record to your domain's DNS records](#). If you need assistance creating the CNAME record, please contact your hosting provider for support.

You can verify your CNAME record [here](#).

2. Via TXT:

- Label/Host: enter @ or leave it blank
- Value/Destination: google-gws-recovery-domain-verification=64105959
- Time to live (TTL): 3600 seconds / 60 minutes / 1 Hour

For more information on how to create a TXT record, please refer to the article [Verify your domain with a TXT record](#). If you need assistance creating the TXT record, please contact your hosting provider for support.

You can verify your TXT record [here](#).

Note: Updates to DNS records may take 24-48 hours to propagate across the entire internet.

In order for us to help you with the sign-up process, please follow this [link](#) and submit your request.

Best regards,

Google Workspace Support
